

**GOVERNMENT OF ASSAM
AGRICULTURE DEPARTMENT
DISPUR:: GUWAHATI – 781006**

ORDER

No. AGA.50/2016/Pt./200

Dated Dispur, the 7th July 2021.

Whereas, in Pradhan Mantri Fasal Bima Yojana (PMFBY) Farmers would be paying a maximum of 2% of Sum Insured (or Actuarial Rate whichever is less) during Kharif season, 1.5% of Sum Insured (or Actuarial Rate whichever is less) during Rabi Season for Food Crops, Oilseeds, Cereals, Pulses and Millets; and 5% of Sum Insured (or Actuarial Rate whichever is less) for Annual Commercial/ Annual Horticultural crops as per operational guidelines.

Whereas, Actuarial Premium Rates (i.e. bidding rates) would be charged under Pradhan Mantri Fasal Bima Yojana (PMFBY) by Implementing Insurance Companies.

Whereas, Difference between the actuarial premium rate and rate of insurance charges payable by farmer shall be treated as Rate of Normal Premium subsidy, which shall be shared between the Centre and the State in the ratio 90:10 from Kharif-2020.

Whereas, Director of Agriculture issued the notification for Kharif-2021, as farmer's share of premium will be borne by farmers themselves.

Hence considering all the above concerns and in interest of farmers, the Government of Assam has decided that **"farmer's share of premium up to 1 hectare of insured area will be paid by Government of Assam"**. However, Rs. 1/- is to be charged from the farmer to facilitate electronic tracking (the one hectare to be derived can be a combination of multiple notified crops). The farmer's premium on the balance area i.e. over and above one hectare of insured area has to be paid by the farmer.
